FOR THE RIGHT AND THE REPUBLICAN PARTY.

Vol. XI, No. 39.

YALE, St. Clair County, Mich., FRIDAY, FEBRUARY 3, 1893.

Price: \$1.00 per Year.

*We have just launched out on another
year's trade.*

Times are hard and MONEY is scarce with many. The questions that should confront everyone are:

Where can I buy goods the Cheapest?

Where can I get the greatest value for my Money?

Stop a moment and think. Handling goods and to know their value is a Trade, like many other things it takes years of hard work and study to acquire it. Anyone can sell you a pound of Soda for 7 cts. or a Bar of Soap for 5 cts. or a pound of Starch for 8 cts. These are minor things. When your merchant shows you a pair of Ladies or Gents Fine Shoes, you don't know whether he is going to ask you \$1.50, \$2.00 or \$2.50 for them. The Case is the same with Hundreds of other things you buy, you have to rely to a great extent on the merchant of whom you buy. If you stop and consider this matter you will say I am right. Now during our 15 years business career we have learned the VALUE of Goods, how to SELL them and the DEMANDS of the People.

* Our Spring Stock *

of Ladies and Gents Fine Shoes is beginning to arrive and we have got to clear out the old stock, So LOOK OUT FOR BARGAINS In That Line.

All Boots and Shoes that are Shopworn will be sold regardless of Cost. Must have the room for new goods.

Many things in Dry Goods will be treated the same way. You can find LOTS of BARGAINS. We have just received a Stock of Staple Dry Goods, also a Line of Carpets which will be appreciated, no doubt. A good stock of Groceries always on hand at the lowest prices. Keep your eye on our 25c. TEA, NONE like it.

Thanking you all, for past favors and we trust our dealings in the past will merit a continuance of the same.

Yours Truly,

J. C. HOLDEN.

The life of the Columbian postage stamps is apt to be very short if the people who are compelled to use and handle large quantities of them have their way. After less than two weeks usage a large portion of the general public has pronounced an unfavorable judgment against them. They are held to be altogether too large and cumbersome for easy and convenient handling, and protests against them for general commercial use are already beginning to roll in. A great objection consists in the fact that they cannot be quickly separated from each other without tearing, and much annoyance has resulted where the stamps have been used in considerable quantities.

Mary had a little lamb, its fleece was white as snow; it strayed away one summer day, where lambs should never go. And Mary set her quickly down, and tears streamed from her eyes; she never found the lamb because she did not advertise. And Mary had a brother John who kept a village store; he set him down and smoked a pipe, and watched the open door, and as the people passed along and did not stop to buy, John still sat down and smoked his pipe, and blinked his sleepy eye. And so the sheriff closed him out, but still he lingered near, and Mary came to drop with him a sympathetic tear. "How is it, sister, can you tell, why other merchants here, sell all their goods so readily and thrive from year to year?" Remembering her own bad luck, the little maid replied: "Those other fellows get there John because they advertise."

The Columbian Daily Calendar remains the only valuable daily pad calendar for '93 is of the same general design as that of previous years, consisting of 366 leaves, one for every day in the year, and a calendar for the entire year. The day of the week, of the month, and of the year are given and on each leaf is a short sermon on the "Gospel of Outdoors, Health, and Happiness," with valuable hints on practical road making. The leaves are so arranged that there will be no stub left, and each one can be referred to at any time during the year. The pad is upon a metallic stand of ivory black, arranged so as to rest upon the desk at a convenient angle. The pad matter, which in the aggregate is enough to make a book, is all fresh and new, and it is of more pertinent value than that of any previous calendar. The calendar is issued by the Pope Mfg. Co., of Boston, New York, and Chicago.
